Event Overview

April Food Day is United Way of Metro Chicago's annual food collection event and awards luncheon that addresses food insecurity in the south-southwest suburbs, a region that is home to the fastest growing population of people living at or below the poverty line. Through donations of non-perishable food items, household goods and financial support, you can help more individuals and families in the south-southwest suburbs meet some of their most basic needs.

About United Way Of Metro Chicago

We fight for the health, education, financial stability and safety of every person in every neighborhood across the region. Our Neighborhood Network Initiative addresses local community challenges in 10 city and suburban communities, including Blue Island/Robbins in the south-southwest suburban region where their focus is to reduce food insecurity for their residents by 2027.
